

2 December 2019

**NOTICE TO GROWERS**  
**CESSATION OF 2019 SEASON CRUSH**

1. Farleigh Mill ceased crushing this morning due to the inability to maintain sufficient supply. There is some cane left which will be harvested Monday 2<sup>nd</sup>, Tuesday 3<sup>rd</sup> and Wednesday 4<sup>th</sup> and transferred to Marian.
2. Racecourse will continue to crush until we cannot maintain sufficient supply. We expect this to occur Tuesday 3<sup>rd</sup> after zero hour. All remaining Racecourse cane will then be loaded into 6 tonne bins to be transferred to Marian.
3. We will run 2 trains at Marian for as long as we can to crush the remaining cane. We will then drop back to one crushing train.
4. We are working on the basis that all cane will be at the sidings by 6pm Wednesday 4<sup>th</sup>.

If you have any issues with the above schedule please contact the traffic office on 4953 8386.

It has been a long season. Here's hoping for some early rain after Wednesday.

Yours faithfully
